

Date of Meeting: 2/10/2011

In Attendance from the DRC: Sue Bush, Matt Nunn

As there were no plans to review, a more informal meeting was held.

Also present were Kelly Whitmer and Randy Bush.

Those present discussed and reviewed information of garage square footages and the impact of the proposed regulations on the neighborhood, the strict regulation of fencing design (white, PVC, 3 rail or privacy) and there was agreement that the DRC meet monthly regardless of submissions.

These notes are taken from Sue Bush's write-up.
